

# W HOTELS SOUND SUITE

## THE FACTS

W Bali - Seminyak has quickly become the premiere destination for music on the island. More significantly, its incomparable booking of world-class artists has launched W Bali - Seminyak to the forefront of global music culture. Drawing comparisons to Ibiza, it is a stunning paradise where music and creativity blossom endlessly.

With its iconic beachfront, sunset deck and a late night basement club, the resort is well equipped to attract a range of top tier talent. Taking the music experience to the next level, W Hotels introduces the first ever W Hotels Sound Suite, a private recording studio and creative space to further support artists, no matter when inspiration may hit.

Featuring 50 Square Meters including a lounge, main control room, a live room and access to an outdoor garden which can double as event space
